1960 IRIS CATALOG

HAPPY GARDENING FOR 1960

DEAR CUSTOMER FRIENDS:

Just a word of appreciation for the many nice orders sent us last year. We do appreciate every one of them, and also the many nice letters received, and we thank you for each one.

We hope to have many of you visit our gardens this year as you come to Portland for the National Iris Convention. Our Iris bloom at the same time as they do in the Portland, Salem vicinity. We have 7 acres, including one acre of our own Hybrid seedlings.

BE SURE YOU READ THIS

We ship only large, healthy, husky, one-year roots. They are grown with lots of room and are twice the size of two-year roots that are crowded. We grow them full size in one year. For this reason our postage bill is tremendous and can mean the difference between a profit and loss on the hundreds of orders shipped out.

The prices in this catalogue follow the established prices of most of the Growers across the country as much as possible and are NET prepaid to your door. However, we like to be liberal and give you quite a few extras when we fill your order, even letting you select the ones you don't have. WE CAN'T DO THIS AND PAY TRANSPORTATION — SO WE ARE . . .

Instituting a New Deal — Read Carefully

We will ship EXPRESS COLLECT or C. O. D. for Postage, and let you select extras (see schedule below) which will much more than pay all charges and leave you a substantial saving also. This is to your advantage. You pay only actual carrying charges.

PLEASE DO NOT INCLUDE POSTAGE. You pay at that end only actual cost. This saves us considerable extra time, refunding or collecting extra postage.

If you will take advantage of this offer and let us ship transportation collect, you order the following extras as below — your selection:

On Orders from \$ 3.00 to \$ 9.00	Select 30% in Extras
On Orders from \$10.00 to \$19.00	Select 50% in Extras
On Orders from \$20.00 to \$29.00	Select 70% in Extras
On Orders from \$30.00 to \$39.00	Select 80% in Extras
On Orders from \$40.00 to \$49.00	Select 100% in Extras
On Orders from \$50.00 Up, Select 100% Extra — plus Idaho Gold and Holy Smoke	

**THIS DEAL IS NOT A CASH DISCOUNT!
IT DOES NOT APPLY IF WE PAY POSTAGE**

Why not club together with your friends so that you may get the benefit of the larger amount in extras? Shipped to one address.

We prefer Express shipments. It is quickest, safest, and the plants arrive in better condition. Where several packages are in one shipment, it is cheaper also.

PLEASE SPECIFY HOW WE ARE TO SHIP

SHIPMENTS begin about July 10, end early October. Mail order not later than Oct. 1. No Spring shipments of Iris. The above deal applies to all items in this catalogue. Hemerocallis may be spring shipped.

The above deal **does not** apply to any other catalogues or lists sent out by us.

DWARF IRIS

Iris lovers who can hardly wait for the year's season to start have merely to plant some Dwarf Bearded Iris, and they'll have Iris blooming with the first inkling of Spring warmth. Indeed, the Dwarfs are up and in bloom with the Primulas and Daffodils, brightening up the rockery and perennial border, or making a splashy little edging — and they are so easy to grow. New improved colors have been added to the impressive list of charming old faithfuls — an amazing array of variety in hue and form. No Iris lover should deprive himself of this thrill.

EREMURUS (FOX TAIL LILY)

One of the finest of the hardy plants. Lovely in a well drained border. They grow in tall spikes from 3 feet up to 6 feet or more in well established plants.

The flowers grow in tall spikes with hundreds of tiny blooms all around the spike, opening from the bottom up like the delphinium. The colors are in beautiful shades of coppery pink, orange, yellow, white.

Each \$2.00

3 for \$5.00
